

Alpha 2010, Budapest  
Satellite Symposium

## INTRODUCING THE CRYOPETTE®

---

### PROGRAM

Saturday, May 1  
12.50 – 13.50 pm  
Main meeting room

- Introducing the Cryopette® - Marc Portmann, Laboratory Manager, Reproductive Associates, USA
- Cryopette® Demonstration - Brian Leonard, US Media Specialist, ORIGIO MidAtlantic Devices

**NEW!**

### Closed System Vitrification Carrier

- Simplicity: One-piece design of loading device and "straw"
- Consistency: Just compress bulb to load sample to optimal position
- Safety: Closed system for maximum safety
