

## EC Design Examination Certificate

DGM-723

This is to certify that the defined representative samples of the products of:

**ORIGIO a/s**  
**Knardrupvej 2**  
**2760 Måløv**  
**Denmark**

has been approved in conformity with the requirements of  
**Annex II §4 - Examination of the design of the product**  
of Council Directive 93/42/EEC concerning medical devices as amended and transposed into Danish law.

The scope of the certification is the following:

**Cell culture products for in-vitro fertilization in class III**

The EC certificate is valid provided that no substantial changes are made to the approved design that could affect conformity with the essential requirements or the conditions prescribed for use for the product without the approval of DS Certificering A/S. The EC-Type Examination certificate is issued in accordance with DS Certificering A/S' provisions cf. Council Directive 93/42/EEC concerning medical devices as amended and transposed into Danish law.
